SOCIAL INCLUSION AND SOCIAL EXCLUSION

Teacher responsible: D. Papadopoulou

compulsory (C) or selection (S) course	year	winter (W) or spring (S) semester
C	2nd	W

The aim of the course is to familiarise students with the problematique and the study of different dimensions of the phenomenon of social exclusion that characterizes modern European societies. The concept of social exclusion is approached. The three axes of exclusion are approached, namely, the reproduction of social inequalities, the weakness in access in social rights and the breaking of social bond.
