

**510130**

**ISSUES OF MODERN AND CONTEMPORARY GREEK HISTORY**

**Teacher responsible: M. Korasidou**

compulsory (C) or selection (S) course	year	winter (W) or spring (S) semester
S	3rd	W

This course examines basic steps of territorial expansion and the creation of the state post Independence (Great Idea, the Balcan aspirations, ethnic divisions, the Distruction of Asia Minor). It also considers questions of economic, social and political formation from post Independence to the present and also education, literature and language.

- Reading list:
- Clogg, R., 1995. *A Concise History of Greece*, Athens: Katoptro (translated into Greek).
  - Dertilis, G., 2005. *History of the Greek State*. Athens: Estia (in Greek).
