**POLICIES FOR GENDER EQUALITY**

**Teacher responsible: M. Stratigaki**

compulsory (C) or selection (S) course	year	winter (W) or spring (S) semester
S	3rd	S

Introduction to gender equality policies with emphasis on European Union policies (strategies, objectives, methods and tools). UN and national policies for gender equality are also examined. Particular attention is paid to gender equality policies aiming at increasing women's participation in the labour market and combating violence against women.
